TEMPORARY BAN ON OPEN-AIR OUTDOOR BURNING

I, Jerry W. Taylor, President of the Union Parish Police Jury am issuing an emergency order banning all open-air outdoor burning in Union Parish effective immediately. This burn ban is authorized by Union Parish Police Jury Ordinance # 697 which designates the President of the Union Parish Police Jury as the person responsible for the calling of fire bans within Union Parish.

Due to the extremely dry conditions presently existing within Union Parish, the rural areas, woodlands, and forests are subject to fire. This ban prohibits the open air burning of any trash, garbage, leaves, limbs and branches or debris of any kind. This ban will remain in effect until lifted by the President of the Union Parish Police Jury. Anyone having questions concerning this matter should contact the Union Parish Police Jury's Office at 318-368-3296
