A brief discussion was held regarding the purchase of a security system upgrade for the annex. Mr. Brantley met with a representative from CenturyLink. A proposal was presented totaling \$3,700.00. This does not include the purchase of a door, but that should be approximately \$275. Mr. Brantley will build a door frame near the front hall. The door will be accessed with a key fob and the receptionist has the ability to buzz people in. The jurors and annex employees will have a key fob for entry. There will also be a key fob entry added to the back door. **Motion Mr. Jones, seconded by Mr. Smith to recommend to the whole jury to purchase a security system upgrade for the Annex. **There being no further business to come before the committee, Mr. Parker declared the meeting adjourned upon motion by Mr. Jones and duly seconded by Mr. Smith on this the 19<sup>th</sup> day of December, 2017.**
