Motion Mr. Pilgreen, seconded by Mr. Nolan to approve the minutes of the August 2nd, 2022 meeting. Motion carried unanimously.

A discussion was held regarding a sewer use fee with the Town of Farmerville. Mr. Bridges, Mr. Buckley, Mr. Nolan, Mrs. Abercrombie and the Secretary/Treasurer met with representatives from the town last week. The discussion consisted of the Landfill connecting to Lyft Station No. 10 and discharging Leachate through it. This would save several thousand dollars a year on testing fees. The jury would be responsible for installing some sort of Lyft/Pump station on jury property. The jury would be responsible for the utilities. The jury would also pay for the Force Main. After the Force Main is built, it would then be donated to the Town of Farmerville and they would be responsible for the maintenance. The jury will pay \$3.00 per thousand gallons of water that is sent to the sewer. **Motion Mr. Pilgreen, seconded by Mr. Ramsey to recommend to the full jury that the Union Parish Police Jury/Landfill enter into an agreement to tie onto the Town of Farmerville's sewer connection; hire Riley Engineering to prepare the plans and specs for connecting the Force Main and the Lyft Station for the Leachate to be delivered to the Town of Farmerville and authorize the President to execute any necessary documents. Motion carried unanimously.**

Motion Mr. Ramsey, seconded by Mr. Nolan to recommend to the full jury to authorize the Secretary/Treasurer to advertise for bids for two (2) front load garbage trucks. Motion carried unanimously.

Motion Mr. Pilgreen, seconded by Mr. Ramsey to recommend to the full jury to authorize the Secretary/Treasurer to advertise for bids for front load dumpsters. Motion carried unanimously.

There being no more business to come before the committee, Mr. Bridges declared the meeting adjourned upon motion by Mr. Ramsey and duly seconded by Mr. Pilgreen on this the 6th day of September, 2022
