Public Comment on agenda items – No comments were made.

Motion Mr. Wade, seconded by Mr. Pilgreen and declared adopted by unanimous vote of the Committee to approve the agenda as written.

Motion Mr. Pilgreen, seconded by Mr. Moses to approve the minutes of the September 9th, 2025 meeting. Motion carried unanimously.

A brief discussion was held regarding the 2026 Union Parish Police Jury Road Program. Riley and Company completed the road lists in August 2025, which included primary, secondary, overlay, and gravel roads. The Road Department has invested in several pieces of equipment that allow staff to perform much of the road work in-house rather than contracting it out. Before a road is chip sealed or overlaid, patching, preparation, and culvert installation are completed using the Road Maintenance Fund.

To determine project costs, each road must first be evaluated by the engineer, who recommends the necessary work and treatment type. The recommended treatment includes the amount of material (“shots”) and whether asphalt application is required.

Motion Mr. Pilgreen, seconded by Mr. Wade to recommend to the full jury to hire Riley and Company for the 2026 Union Parish Police Jury Road Program and develop a three-year program for the years 2026, 2027 and 2028. Motion carried unanimously.

There being no more business to come before the committee, Mr. Holley declared the meeting adjourned upon motion by Mr. Wade and duly seconded by Mr. Moses on this the 4th day of November, 2025.
